## Validating Digital signature in acrobat Reader

For validating digitally signed Certificates/Permissions, use Acrobat Reader 11 and above. You can download Acrobat Reader from below link.

## https://get.adobe.com/reader/

In order to validate E-sign in Adobe acrobat reader, click on the eSign marked in red box.

Once the user clicks on the image he will be prompted with the following window (Signature Validation Status). Click on the **Signature Properties** button to check signature properties.

In the signature Properties window click **Show Signers Certificate** button.
